

Nutech Roof Coatings

Fact Sheet

Product Range

Nutech manufactures a wide range of paint and protective coatings for decorative and protective purposes. Our comprehensive and technically advanced range of roof coatings has been developed over nearly 40 years as a result of substantial application experience, market research and manufacturing excellence. All Nutech products utilize advanced technology and polymer science.

Nutech products are recommended for cement and terra cotta roof tiles, sheet metal including galvanized, zincalume, Colorbond®, Decramastic® and Decrabond®, pressed metal tiles, shingles and sheet, timber shingles and shakes, asbestos and cement sheeting, concrete and masonry roof surfaces and bitumen and asphalt coated surfaces. Refer to the Nutech Roof Coatings Guidelines, specific Product Fact Sheets and Material Safety Data Sheet for the correct specification, safety and application details. Contact your nearest Nutech Specialist supplier for coating recommendations and up to date technical information.

Water Based Coating System

Top Coats

TileFlex 2000®	100% acrylic enhanced with Teflon® - 10 year guarantee
NXT Cool Zone®	Premium Heat reflecting acrylic coating - 12 year guarantee

Primers & Sealers

Master Sealer	Thick 100% acrylic sealer for stable cement roof tile
NuPrime	Penetrating primer for powdery oxidized cement roof tiles
SupaPrime	Premium quality viscous penetrating primer for oxidized cement roof tiles
Membrane SS Primer	Primer for timber shingles and shakes and damaged roof coatings
GP Primer	High build primer for very rough cement roof tiles
Asbestos Primer	Penetrating binder/sealer for Asbestos sheeting
Metal Primer	Anti-corrosion rust resistant primer for all metal sheet roofing
Aqua Stop Silicon Sealer	Water based silicon masonry water proofing treatment
Insulguard	Insulative acrylic roofing membrane for metal and masonry surfaces
Elastomeric 3000 Membrane	Flexible elastomeric acrylic membrane coating for damaged roof surfaces and wall coatings

Other Products

MaxiPoint	Flexible acrylic coloured pointing compound
Rust Converter	Surface rust treatment
Seal & Flex	Polyurethane roof tile adhesive
NuBond	SBR cement additive for flexibility, waterproofing & bond strength
Emastak®	Bitumen modified acrylic waterproofing membrane
Wet & Forget®	Moss, Lichen, mould, mildew and bacteria treatment
